PROFILE

An enthusiastic and creative individual who can make an immediate contribution in creative concepts, digital design and front-end development that yields the best results on any project.

EXPERIENCE

Earl Enterprises—through Creative Circle

Jan.-Oct. 2018

Provided graphic design and creative concept support to In-house creative team for a multitude of digital and print projects for restaurant brands including Buca di Bepo, Earl of Sandwich, Planet Hollywood, Chicken Guy and Bertucci's.

Wiley Global Education—formerly Deltak

2011-2017

Provided Art Direction, Web/Digital Design and HTML/CSS support to 34 partner schools. I was also a key contributor in developing concepts and design solutions for all digital marketing projects including responsive websites, digital banners, responsive Email (design and development), Logo design and Infographics.

Riptide Software (Marriott Vacation Club-Ritz Carlton Club) 2007-2011

Provided Art Direction, Print Design, Web Design/ UI/UX for both Marriott Vacation Club and The Ritz- Carlton Destination Club's Marketing Departments.

Digitec Interactive

2000-2007

Responsibilities included Art Direction and Design for digital, print and video, including project management and Flash/After Effects animation design and development. I also developed branding, creative design and production of a monthly full-color magazine called *Young Money*.

EDUCATION

Rasmussen College

2011-2013

AS Digital Design and Animation

SOFTWARE I USE EVERY DAY: Adobe Photoshop-Illustrator-InDesign-After Effects-Animate, Sketch and Google Web Designer.
